

# Soxi – The Sock Dispenser \*

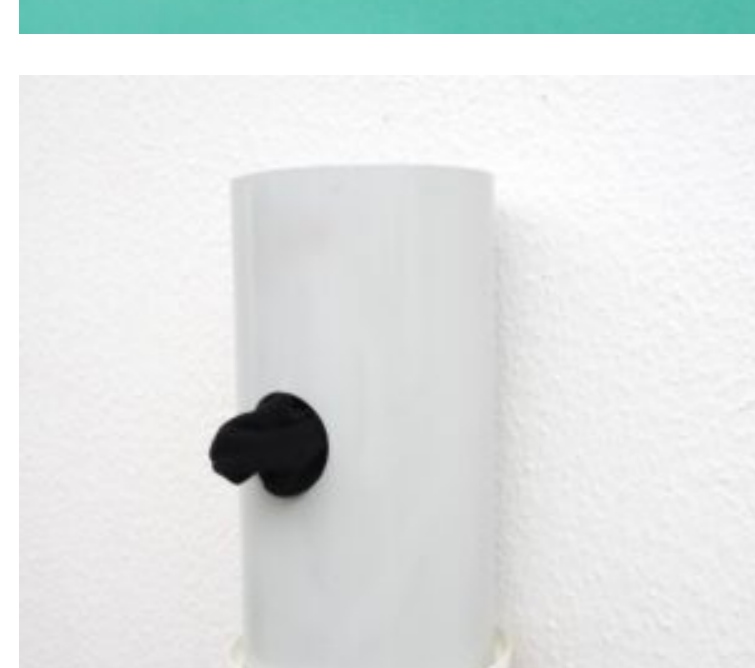

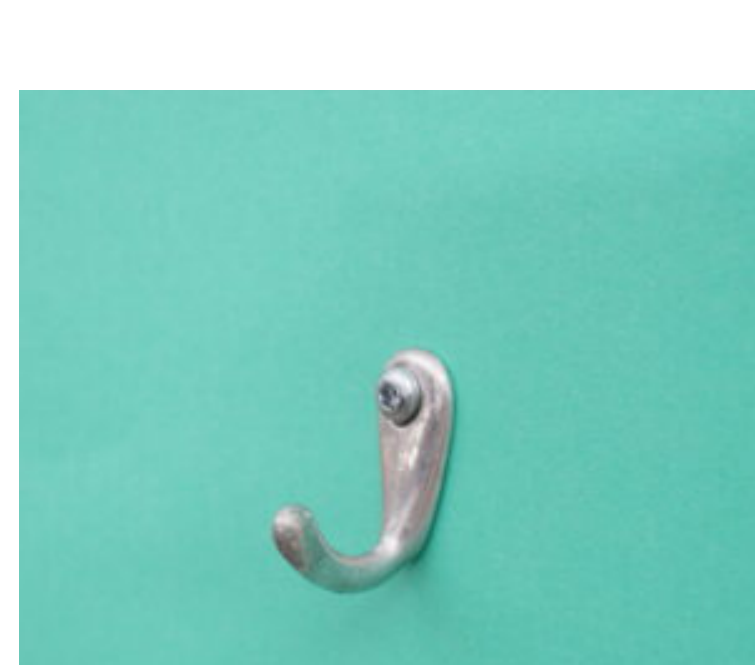

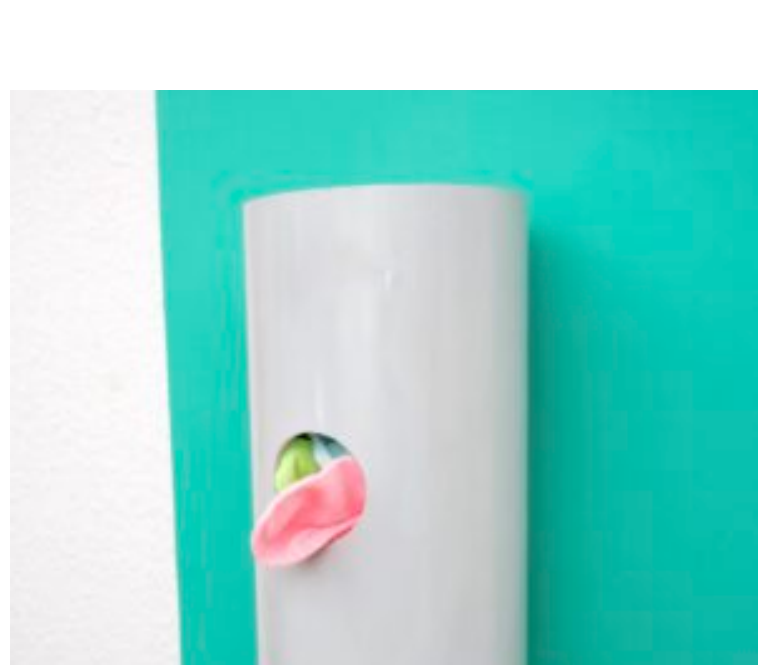

A [Trikka solution](#) to organise your socks: Put them in the bucket, hang the bucket to the wall and pull socks out one by one like you know it from a tissue dispensers. Elegant lifestyle for elegant people.

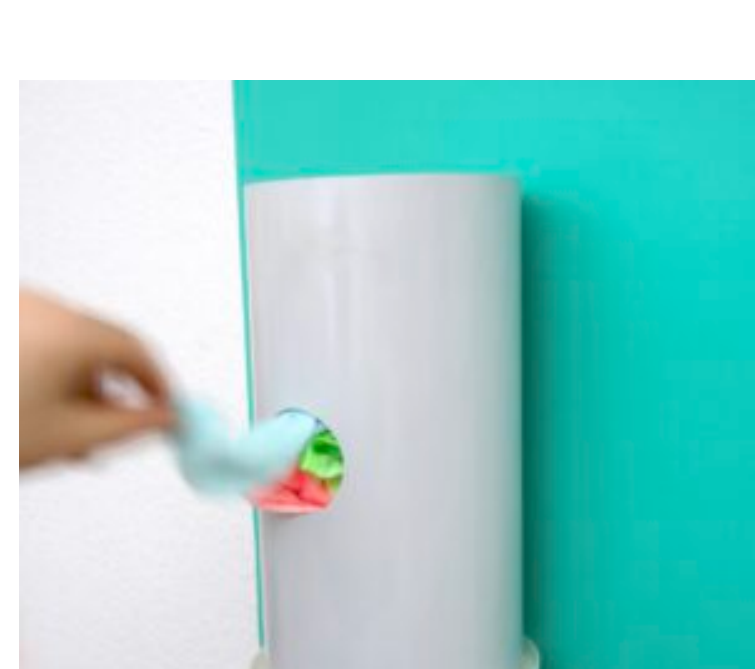

How it works:

*Fill it up.*

*Hang it to the wall with a hook.*

*And pull out your socks. Just all in one color or have a mix up everyday.*

That's it!

Soxi is currently only available as [local make](#). Info on all the parts and how to make them is available below if you click on "Trikka info".
