↑ Clean and with boxes

These Boxes are regular [Ikego Marii-Boxes](#)

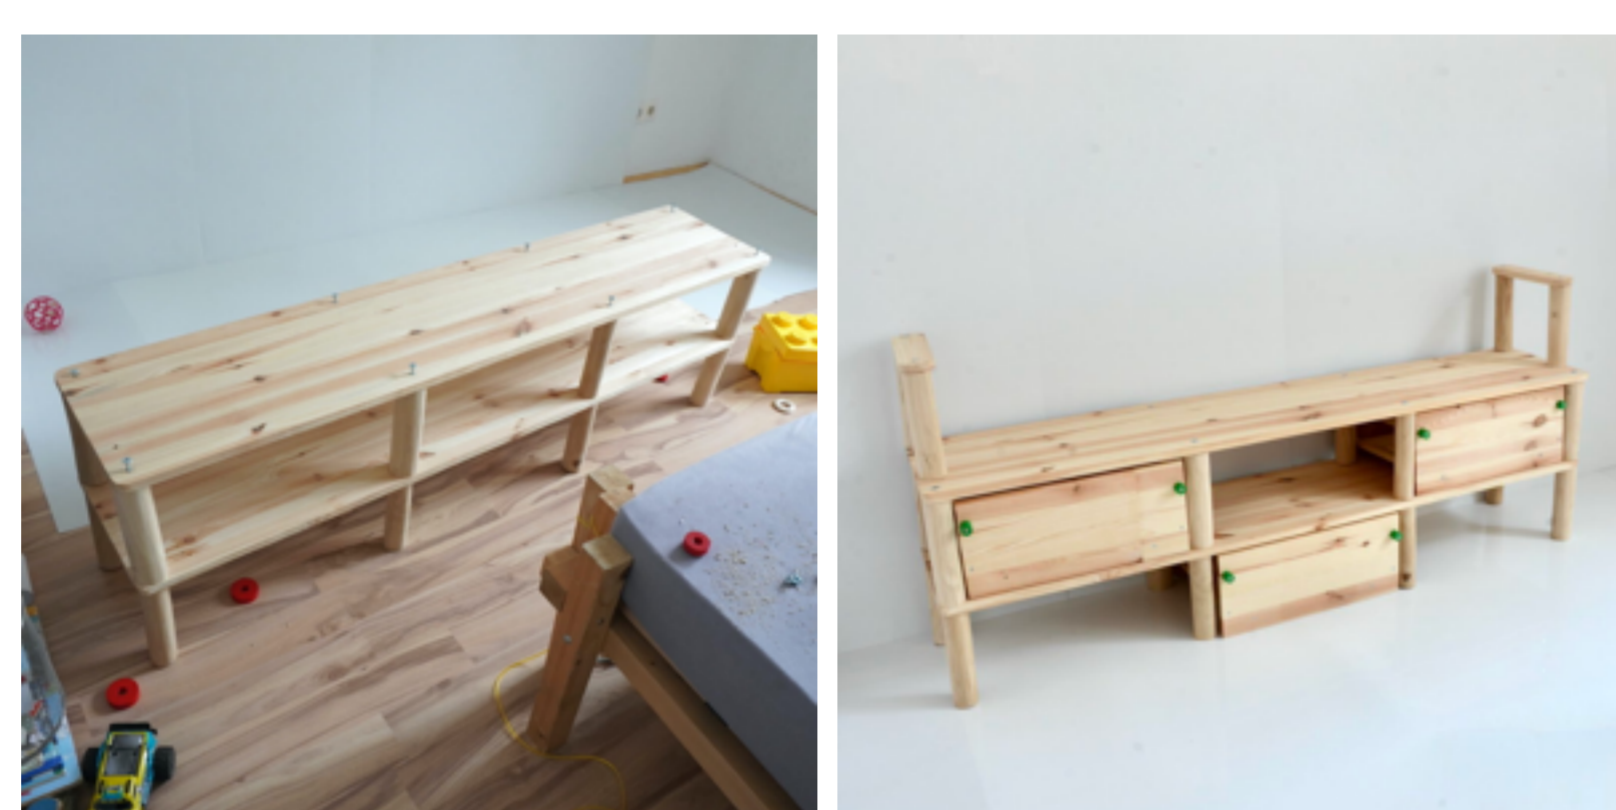

In use. The white sleeves on the legs are there to protect Shoudou when it is used to store shoes underneath, for example.

“Shoudiou” is a simple bench created for the [circular design platform Ikego](#). You can combine it with regular Ikego Marii-Boxes.

Ikego parts used: [053.1](#), [082.1](#), [094.2](#), [095.5](#), [\(072.1\)](#)

This design is **open**. We do not intend to protect it.

We are happy to see [“local makes”](#). If you like, pls. donate 1 Euro per make to paypal.me/Lars2i

Enjoy Shoudiou, building and rebuilding it!
